SEWING OF QUILT TOP: Seam allowance is 1/4" (0,75 cm).

Take 2 strips for instance in fabric A & E.

Join these strips, having a small strip in fabric K between the two colours of fabrics.

Recut this strip in squares 10⁵/₈" (27 cm).
Important: take care to start right after the selvage because there isn't much "leftover" (fabric width is 44" (112 cm) and 4 blocks is 42¹/₂" (108 cm). See sketch for sewing & cutting.

Join all strips as above.

On fabric width there will be 4 squares.
And on half fabric width there will be 2 squares.

List of how many squares from each combination:

Block A+E: 6 pcs

Block B+F: 6 pcs

Block B+J: 5 pcs

Block C+G: 5 pcs

Block C+I: 5 pcs

Block D+H: 8 pcs

See blocks on layout page 4. Note: there will be leftover from block B+J, C+G ad C+I.

Position the squares according to the layout on page 4 or as you prefer.

First join the squares into rows. Second join the rows.

And the quilt top is now created.

QUILTING AND BINDING:

Layer top, batting and backing in fabric L and baste the pieces.

Quilt as you prefer by hand or by machine ➡.
